
To Our Dear Esteemed Patrons

Our location doesn't look the same, does it? Well, guess what? The paint is still wet, hammers are still in action, and we might just have a worker tangled up in the scaffolding (just kidding... mostly)! In short: we're not done with our renovation yet. We were aiming for 'Grand Café Designs,' but currently, we're navigating the 'Did that wall just shift?' phase. However, don't worry! Our team, when not dodging rogue paint cans, is diligently working to ensure that our transformation will be worth the wait and the occasional bout of comedic chaos.

Thanks for laughing with us (or at us, we're not picky).
